Docket No. 98N-1265 6010 99 MAY 24 A11 22
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: Up to this point, I have had
to order my specially-compounded
hormones from Wisconsin to California.
These hormones are very important to me.
